

The way the ship sinks, Captains Prejudice,
past riss of betrayal, dejected in action, a
tragicomic portrayal of unnatural selection,
beautifying, electric disfiguration with
magnet and organic slandering. Herbal & tudy
and I'm eliot in my wax prejudices. I
think I can beat my body better without
the vaccine, without any postponing of
"disease" with devitalizing intergenerational
interference. My experience in my dreams
last night show me how possessive I am.
I am. Why do I have land & lovely ones w/
pinks and herons the theme/topic (o am y)
& what does this mean for my waking world?
